

## Cookie Policy

This Cookie Policy (“Policy”) provides you with information about the use of technologies that store or access information on your device like cookies, pixels, and plugins, etc. by Miracle Technologies Group (referred to as “Phoenic Token”) and certain permitted third parties that provide content, advertising, or other functionalities when you visit [www.phoenictoken.com/](http://www.phoenictoken.com/) website or other Cash Flow platforms. (“Site”) For convenience, these technologies are all referred to as “cookies”.

This Policy explains what cookies are, which types of cookies Phoenic Token uses and what legal bases are. It also provides you with information on how your personal data (if any) is used, what your rights in relation to cookies are under the EU General Data Protection Regulation (“GDPR”) and how you can contact Phoenic Token if want to exercise your rights or have a complaint.

This Policy lists, which cookies are placed and used, for which purposes and for how long these cookies last. In addition, this Policy describes how you can manage and delete cookies.

### 1. What Are Cookies?

Cookies are small text files which are stored on your device when you visit Site and act as an identifier. They allow Site to recognize your device when it interacts with and returns to Site, particularly when you are using the same browser as you did when you last visited Site.

Depending on their function and purpose cookies are classified as strictly necessary, performance, functional and advertising cookies.

In addition, cookies are classified either as first party or as third-party cookies. First party cookies are placed by us, whereas third party cookies are placed by a third-party website while you are visiting Site.

Cookies can be either session or persistent cookies depending on their duration. Session cookies are temporary cookies that last only for the duration of your visit to Site and are deleted when you close your browser. In contrast, persistent cookies are created upon your visit to Site and remain on your device after you close your browser or restart your device until their set expiry date unless you delete them before the expiry date; they are active when you return to Site.

## **2. What Is Our Legal Basis?**

We rely on Phoenic Token's legitimate interests for processing personal data collected through first-party essential cookies. These cookies are strictly necessary for Site to work and allow Phoenic Token to provide the visitors to Site with the services they request, to enable communications, or to comply with security obligations under the applicable data protection law.

All other non-essential cookies will only be used with your consent.

## **3. How Do We And Certain Permitted Third Parties Use Cookies And Process Your Personal Data And What Are Your Rights?**

### **3.1 Cookies owned and placed by "Phoenic Token"**

To the extent that first-party cookies and the data Phoenic Token collects with them, qualify as personal data, Phoenic Token determines the means and purposes of such processing and are the data controller as defined in the GDPR. Such processing takes place in accordance with Phoenic Token Privacy Policy that applies in addition to this Cookie Policy. We encourage you to read [Phoenic Token Privacy Policy](#) where you can find more about e.g.:

- How Phoenic Token uses and protect your personal data collected through cookies (if any);
- Your data protection rights; if you are based in the EU/EEA these include the right to access your personal data and obtain a copy thereof, the right to request the correction or update of any inaccurate personal data, the right to object to or restrict the processing of your personal data under the conditions set out in the GDPR and the right to request the erasure of your personal data under certain conditions.
- If you are based in the EU/EEA how you can file a complaint with the competent supervisory authority, [https://edpb.europa.eu/about-edpb/board/members\\_en](https://edpb.europa.eu/about-edpb/board/members_en)
- How long Phoenic Token stores/keeps your personal data;
- To whom and where Phoenic Token discloses your personal data; and

### **3.2 Cookies Owned And Placed By Permitted Third Parties**

On Site Phoenic Token may integrate links to third party websites, plug-ins and applications, e.g. for marketing purposes and, for example, to allow you to easily share content in social media networks. We have no control over these third-party websites' use of those cookies and refer to their Privacy Policies for further information on how they use these cookies.

#### **4. How Can You Manage And Delete Cookies?**

4.1. Except for essential cookies you can change your preferences and withdraw your cookie consent at any time by navigating to “*cookie settings*”.

4.2. You can manage and delete non-essential cookies by changing your browser settings. The methods for doing so vary from browser to browser. Please bear in mind that if you block all cookies some features and services on Site might not be delivered to you, and you will be served with advertising less tailored to your interests.

The following table lists all cookies in use on Site. We will update this table as Site changes and evolves.

### Strictly Necessary Cookies

These cookies are necessary for the website to function and cannot be switched off in Phoenic Token's systems. They are usually only set in response to actions made by you which amount to a request for services, such as setting your privacy preferences, logging in or filling in forms. You can set your browser to block or alert you about these cookies, but some parts of the site will not then work. These cookies do not store any personally identifiable information.

### Performance Cookies

These cookies allow Phoenic Token to count visits and traffic sources so Phoenic Token may measure and improve the performance of Site. They help Phoenic Token to know which pages are the most and least popular and see how visitors move around the site. All information these cookies collect is aggregated and therefore anonymous. If you do not allow these cookies Phoenic Token will not know when you have visited website and will not be able to monitor its performance.

### Functional Cookies

These cookies enable the website to provide enhanced functionality and personalization. They may be set by Phoenic Token or by third party providers whose services Phoenic Token has added

to Site pages. If you do not allow these cookies, then some or all of these services may not function properly.

### **Advertising Cookies**

These cookies may be set through Site by Phoenic Token's advertising partners. They may be used by those companies to build a profile of your interests and show you relevant adverts on other sites. They do not store directly personal information but are based on uniquely identifying your browser and internet device. If you do not allow these cookies, you will experience less targeted advertising.
